### **BIDDLE RECOGNIZES STUDENT ACHIEVEMENT AT MILWAUKEE COLLEGE PREP**

**Milwaukee, WI** – Milwaukee County Supervisor Eyon Biddle, Sr., was on hand Saturday to congratulate third graders from Milwaukee College Preparatory School's Lindsay Heights Campus on their win in the first annual Lindsay Heights Academic Olympics math competition.

"I commend these third graders and all of the other participants for their hard work in this competition," Supervisor Biddle said. "These dedicated young students are living proof that when we work together to support public schools, our students can excel."

A total of 35 students from five schools participated in the event. The other participating schools were Hopkins Street School (2nd place), Young Leaders Academy (3rd place), Gwen T. Jackson Early Childhood School, and Brown Street Academy. The competition was part of the Children Success Coalition of schools and youth serving agencies in Lindsay Heights. The event was followed by an awards ceremony, including written and oral tests.

"Seeing the gym full of motivated students and involved parents was a beautiful sight," said Supervisor Biddle, "I will continue to support these students in their future successes."
